Hi Bill,

I just wanted to confirm that we have you attending the workshop for both days next week, staying in a single room

Mid-morning on the first day we will be walking through a mock trade and then breaking into "stakeholder" groups to develop comments on the trading plan. It's our hope that this will be a good way to think about the entire collection of best practices from a variety of perspectives, highlighting those areas that need additional attention. You received the materials, but I have attached them again. To move things along when the time comes, we have split the attendees into groups. We have you in the "Buyer" group.

We look forward to seeing you on Monday. Have a wonderful holiday!

Best,
Carrie
